Southglenn Civic Association Meeting

— Linda Nixon, Chairperson

May 17th was our Annual Meeting and we were hoping to add some NEW board members and We Did! Welcome Pat Benhmida to our SGCA Board. The board for 2017 is Linda Nixon, Susie Elmer, Dorothy Mauro, Sue Seitz, Harriet Lorence, Dale Rottschafer, Dora Cash, Alia Andrews and our New board member Pat Benhmida. We still have room on the SCGA board if you want to be on our fun loving board! We will select officers for the board from the directors in place. I don't anticipate anything changing.

Next Meeting:

June 21st
Monthly on 3rd Wednesday
7 p.m. at St Tim's

Recently 9News has reported that the metro area has Ticks and Fleas. Be sure to check your animals and you can spray for ticks and fleas in your yards. We have had two cases reported in Southglenn so far found on dogs with ticks from their yard. We want everyone to think about being a good neighbor as summer is coming up. We need to be respectful and helpful to our neighbors and take care of what needs to be done to keep our neighborhood the best it can be. Southglenn will soon have a web site and a way to pay your \$15.00 dues online for the year and become informed on neighborhood events.

UPCOMING IN JUNE AND BEYOND:

- Garage Sale June 2 & 3 Sponsored by the Steller Group!
- The Splash Dash 5k Run for Drennen's Dreams June 4, Arapahoe High School.
- Annual Dumpster day June 10 at 8am -12noon at Twain sponsored by Pro Disposal!
- July 4th Bike Parade - prizes for decorated bikes and dogs, refreshments.
- Fun Fest at Clarkson Park for National Night out on August 1. Live music, entertainment, great eats, activities for all ages.

Please participate in all the wonderful events we have for our neighborhood.

We have had our Membership Drive going on so please pay your dues for this year. We need your help with people paying their dues of only \$15.00 to keep our Neighborhood Association going - encourage your neighbors to pay them as well. We have so many great events for our wonderful Southglenn homeowners that unite us together and give us an opportunity to meet neighbors. I am still betting on my neighborhood, this year will be the best year for people paying their dues! Please show us your neighborhood spirit and pay your dues now!

We are looking for People to volunteer for different events and the Newsletter delivery, now that the weather is so nice. If you would like to volunteer as a relief delivery person or for an event please contact me, Linda Nixon, at Landsnixon@msn.com or 303-795-8083. I need volunteers for relief of delivery folks that are going on a vacation?

We are already filling spaces on company/venders list for spaces at Fun Fest National Night Out! We have over 12 so far. If you would like to reserve a space at Fun Fest on August 1st Tuesday night 5-9 p.m. call now to reserve your spot- Linda Nixon LANDSnixon@msn.com or 303-795-8083.

Dumpster Day - Metals & Electronics Recycling Too!

—Linda Nixon, Chairperson

Pro Disposal is sponsoring our Community Dumpster Day. They are also offering residents a discount, depending on our neighborhood participation with them. With the new pricing, the residents at Southglenn will see a greater savings if they join Pro Disposal. The current standard pricing for new customers for trash & recycling is: \$27.00 per month or \$297.00 per year. Currently our community Pro Disposal participation is almost at 27% which brings pricing down to \$24.50 per month (\$269.50/year).

FYI, some existing residents have lower pricing because they have been a customer for

Upcoming City of Centennial Council Meeting

—Kathy Turley, District 1

On Monday, June 5 at the Centennial Civic Center, the City Council is slated to vote on new city codes having to do with stockpiling and inoperable vehicles. The codes will provide Code Enforcement with more authority. Specific language about proposed code changes can be found at: <http://www.centennialco.gov/Mayor-Council/agendas-minutes-and-audio.aspx> Download the "packet" for the Regular City Council Meeting for May 15. Study Session begins at 6 pm, Regular Meeting begins at 7 pm. Centennial Civic Center is located at 13133 E Arapahoe.

A Closer Look

—Alia Andrews

Several weeks ago, I happened to see Deputy Rivers with the Arapahoe County Sheriff's Office stopped in our Southglenn neighborhood. I introduced myself and spoke briefly with him and I learned he is stationed in our area. He provided me with a contact card, and later that evening I reached out to him so see if he would be willing to sit down for an interview. I thought it would be interesting to learn more about some of the people working in our community. He agreed, and on March 23rd, I sat down with him at the Arapahoe County Sheriff's Office. Here is how our conversation went.

1) How long have you been employed with the Arapahoe County Sheriff's Office?

I began my career with the Arapahoe County Sheriff's Office in July 2016. Prior to being hired with Arapahoe County, I spent two years with the Commerce City Police Department. Prior to becoming a police officer, I spent ten years in the Army.

2) What made you want to become a police officer?

My father was a police officer. I was able to spend time in the explorers program when I was younger. I was able to see how law enforcement serves the community. After my military service ended, I wanted to continue serving the community.

3) What do you like about your job?

My favorite part of the job is when I get a call where I can actually help someone, beyond just writing a report.

4) What do you like about the Southglenn/Centennial community?

I feel like the citizens enjoy and appreciate us, and we enjoy being out in the community helping the citizens.

5) What are you doing to help keep our community safe?

I team up with our crime analysis division and view concerns expressed by citizens. I also try to identify common issues and problems in order to address them. Some current examples of issues we are facing are motor vehicle crashes, driving under the influence, and motor vehicle theft. I try to focus my patrol in areas where these issues are more common.

6) Are there any issues in the community you think citizens should be aware of?

Currently we are getting several calls about theft from motor vehicles due to unlocked or unsecured vehicles, as well as thefts from puffers, (when people leave their unattended vehicle running with the keys inside).

7) What can we do as citizens to help keep our community safe?

Two ways citizens can help reduce the two issues mentioned above are to make sure they lock their cars and houses, and don't leave your car running unattended. Also, report suspicious activity and people to the Arapahoe County Sheriff's Office.

8) What are some of the most difficult calls you have responded to?

Any crime involving children as victims are always difficult.

9) Describe a typical day at work.

There really is no such thing as a "typical" day. I can start my shift writing a traffic ticket and end up performing CPR trying to save someone's life. The unknown of what my shift will bring is one of the parts of the job I enjoy.

10) Are you required to have a dash camera and or body worn camera. In your opinion, do you think this is helping improve community relations and police accountability?

We do not currently have dash cameras. The department is in the process of issuing body worn cameras, but not every deputy currently has one due to the size of our agency. I personally am glad we are being issued body worn cameras. It is a great tool, as long as everyone understands it is a tool with limitations. Some examples of limitations are the cameras do break, batteries die, and the cameras don't always record everything. Even with some limitations they are a great tool to show some of the challenges police face on a daily basis.

11) From your perspective, what is one of the most significant challenges facing law enforcement today? How is law enforcement working to improve this? Is there anything we in the community do to help overcome this challenge?

I think one of the challenges facing law enforcement is public perception. For example, no one likes getting a ticket or being arrested. Law enforcement is always trying to improve community relationships, officers are offered extra trainings, and again body worn cameras may help as mentioned above. I encourage the community to get to know the law enforcement officers in your area. Arapahoe County Sheriff's Office offers a citizens academy, a ride along program, and you can always talk to an officer when you see them out in the community. I strongly encourage our ride along program, and enjoy giving citizens an opportunity to see what the job is like for us.

12) Is there anything you would like the community to know about you?

On a personal note, I moved to Colorado from North Carolina in 2008 while in the Army. I enjoy hunting and riding ATV's in the mountains. On a work note, I am always professional and treat citizens with respect.

13) Who should people contact if they have questions, comments, or interest in learning more about the department?

If you would like general information the phone number is 720-874-3600, or visit the website <http://www.arapahoegov.com/sheriff>. If you have a specific question for Deputy Rivers, his email address is JRivers@arapahoegov.com

I would like to say thank you to the Arapahoe County Sheriff's Office and Deputy Rivers for taking time to speak with me. I would like to continue reaching out to other people who are working our community. If anyone has suggestions, please reach out to me! Aandrews2884@gmail.com

Chick-fil-A - New Owners!

—Susie Elmer, Vice Chair

I had the opportunity to meet the new owners of Chick-fil-A. They are Michael Clancey and his wife, Gretchen. They recently took over ownership of the Chick-fil-A Streets at Southglenn location and couldn't be more excited to be a part of this community in the South Denver Metro, a place they have called home for almost ten years. They have a passion for excellence and look forward to serving the area with an exceptional dining experience, as well as being active participants in community development. If you have any upcoming events that need some Chick-fil-A catering to give it that extra boost, give them a call. 303-795-0049. If you know any individual with an attitude of excellence that is looking to join a positive workplace with supportive local ownership, send them over. Or if you simply have a hankering for an awesome chicken sandwich, (who? me?) you know where to find them. They look forward to the pleasure to serve you!

Fourth of July Bike Parade

— Dale Rottschafer, Treasurer

Back for a second year is the Fourth of July Bike Parade. We are partnering with our neighborhood to the west, Southwind. The parade will start at Geddes and Penrose at 10 a.m. and will wind approximately 1 mile through the streets to end up at Hopkins Elementary School open space. There will be prizes for various age groups for the best decorated bikes (riders must wear helmets to be judged). Additionally, there will be a prize for the best dressed/decorated dog (please be mindful of your dog's safety and comfort, leashes required). We will have refreshments and treats at the finish.

What Are Your Kids Doing This Summer?

—Southglenn Country Club

Why not consider registering your kids for Southglenn Country Club's Gator Swim Team and/or our Junior Golf program?!

Although we have had a strong championship record within the Division B Mountain Hi Swim League, our swim team's achievement can be attributed to the determination and improvement of each swimmer.

"Success is truly celebrating each swimmer's accomplishments, whether it's making an All-Star time, or for another, completing a race," says Coach Audrey Welsh. "I love watching swimmers who started the season saying they'd never swim butterfly, swim the 100 Fly, and swim it fast," adds Coach Chase Helseth.

"All three of my boys joined the swim team at around 5 or 6 years of age. Not one of them could actually swim the full length of the pool yet. Once they found their favorite coach, we sprung for a few lessons and by the end of the first season they were pretty proficient little swimmers. They had so much fun as Gators and built some lasting friendships that kept them wanting to join again the next year," comments Dale Rottschafer, a SGCC Gator Swim Parent.

Registration is now open for our SGCC Gator swim team. The first practice is May 22 followed by the first swim meet on June 3.

Kids This Summer..., *continued from page 5*

SGCC's Junior Golf program has also successfully opened the path for girls and boys between the ages of 8-18 to learn the etiquette, rules, and gain instructions for playing and enjoying golf. Some are now even competing at the high school level.

Junior Golf meets on Tuesday mornings from early June through the end of July. Younger kids (8-11) meet from 7:30-9 am and older kids (12-18) meet from 9:30-11 am.

LPGA, Ann Wolta Blackstone heads up our SGCC Junior Golf program and will be holding a parent meeting on Sunday, May 7th at 4:30 at the club house.

Our youth activities really bring people together (kids and parents) and being able to celebrate each kid's achievement is a reflection of our club's culture. We welcome your consideration

of joining us at the club and enrolling your kids in any or both of these programs.

For more information on these youth-centric programs, check out our website at www.southglenncc.com.

Come One Come All to the 5th Annual Splash Dash - June 4, 2017 in Southglenn!!

—Steph Petersen

Southglenn is home to the amazing & fun Drennen’s Dreams Splash Dash 5K run/walk and we want you to join us! On Sunday, June 4th at Arapahoe High School, the race will begin at 9:00 a.m. Festivities and stretching begin at 8:30 in the northwest end of the West parking lot. If you’ve not participated as a homeowner on the race route or as a race registrant, it’s lots of fun and we could really use your help to support our race!! As a homeowner, the Splash Dash needs you to help get our runners wet! In the past we’ve seen homeowners put out sprinklers or slip n’ slides as well as throwing water balloons or getting out those water guns and seeing how accurate their shot is! You can also just spray runners with the hose if that suits your fancy (being mindful if they are running on the opposite side of the street as you, they may not wish to be sprayed). Whatever you choose to do to help get those runners wet is great as long as it’s safe and in the spirit of fun!

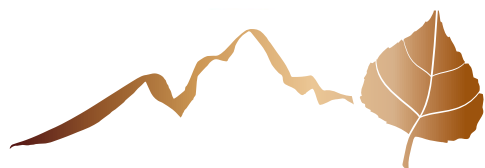

If you are a runner and would like to participate, please visit our website at DrennensDreams.org and click on the Splash Dash registration logo on the home page. You’ll be taken to our registration page where you can immediately register. The course was measured in 2013 for USA Track & Field (USATF) certification (Certification #CO13020DCR). The certification tells runners that the course is an accurate length, and split marks are in accurate locations.

The course map is shown so that you can see if your home is located on the route. We stretch and get the crowd going at

Arapahoe High School and then at about 8:45 a.m. we head over to the Start line. At 9 a.m. the race begins. We have runners who finish in 20 minutes or less, and we have walkers who are not in such a hurry. The race is generally done on the route around 10:30 a.m. We will have course marshals assuring safe passage of our runners, so if you need to cross the race route, please be patient or plan to get out a little earlier that Sunday.

We have loads of sponsors who will have special and unique items just for the Splash Dash runners and there will be great food and plenty of activities for all ages to participate in at the finish of the race. Hope to see you there!
