Splash Dash winds its way through our Southglenn neighborhood on June 4.

Dumpster Day June 10, 8 a.m.-12 p.m. Mark Twain. Please note this is a new date from what was previously published. AND note we are back at Twain this year. While we can accept dues payment the day of the event, it helps us greatly if you have paid in advance. Info on dues renewal on page 2.

Pro Disposal is going to Sponsor Our Community Dumpster Day. Currently our community Pro Disposal Trash participation is almost at 27%. With the new pricing, the residents at Southglenn will see a greater savings if they join Pro Disposal Trash. Our current standard pricing for new customers for trash & recycling is: \$27.00 per month or \$297.00 per year. Prices go down with more residents using their services. FYI, some existing residents have lower pricing because they have been a customer for several years, and will not see a change in current pricing.

July 4th Bike & Dog Parade - Decorate your bike and/or your dog and win a prize. It's lots of fun! More details in next month's Reporter.

We are looking for people to volunteer for different events and the Newsletter delivery, now that the weather is so nice if you would like to volunteer as a relief delivery person or an event. Please call me, Linda Nixon: Landsnixon@msn.com or 303-795-8083 (I have a route off of Geddes and Downing Cir. It's a small route that just opened up!)

Come One Come All to the 5th Annual Splash Dash - June 4, 2017 in Southglenn!!

Southglenn is home to the amazing & fun Drennen's Dreams Splash Dash 5K run/walk and we want you to join us! On Sunday, June 4th at Arapahoe High School, the race will begin at 9:00 a.m. Festivities and stretching begin at 8:30 in the northwest end of the West parking lot. If you've not participated as a homeowner on the race route or as a race registrant, it's lots of fun and we could really use your help to support our race!! As a homeowner, the Splash Dash needs you to help get our runners wet! In the past we've seen homeowners put out sprinklers or slip n' slides as well as throwing water balloons or getting out those water guns and seeing how accurate their shot is! You can also just spray runners with the hose if that suits your fancy (being mindful if they are running on the opposite side of the street as you, they may not wish to be sprayed). Whatever you choose to do to help get those runners wet is great as long as it's safe and in the spirit of fun!

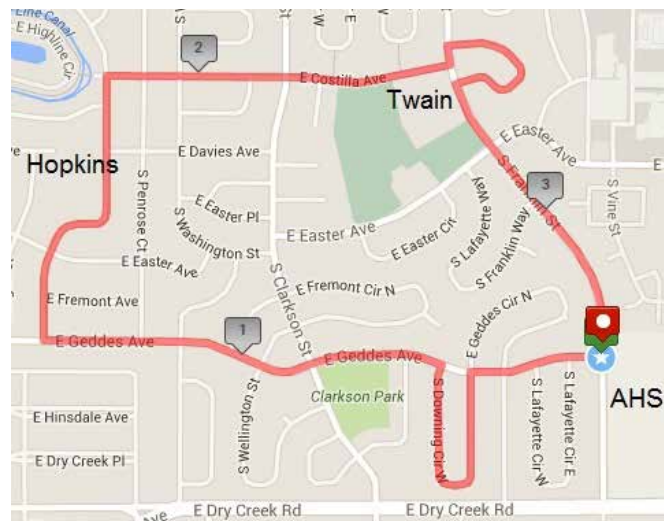

If you are a runner and would like to participate, please visit our website at DrennensDreams.org and click on the Splash Dash registration logo on the home page. You'll be taken to our registration page where you can immediately register.

The course map is shown (to the right) so that you can see if your home is located on the route. We stretch and get the crowd going at Arapahoe High School and then at about 8:45 a.m. we head over to the Start line. At 9 a.m. the race begins. We have runners who finish in less than 20 minutes, and we have walkers who are not in such a hurry. The race is generally done on the route around 10:30 a.m. We will have course marshals assuring

safe passage of our runners, so if you need to cross the race route, please be patient or plan to get out a little earlier that Sunday.

We have loads of sponsors who will have special and unique items just for the Splash Dash runners and there will be great food and plenty of activities for all ages to participate in at the finish of the race. Hope to see you there!

Catch Your Boss at the Beginning of the Day

One of the best times to catch busy people—like your boss—is the beginning of the day. They appreciate the lack of interruptions and can sometimes make time for a private talk. Approach them carefully, though. Make an early appointment to stop in to discuss a particular topic that needs attention. Then—and this is the hard part if you usually sleep in—show up on time. Invest in an extra alarm clock if you need one, lay out your clothes ahead of time, and eat breakfast later if necessary.

What Are Your Kids Doing This Summer?

Southglenn Country Club

Why not consider registering your kids for Southglenn Country Club's Gator Swim Team and/or our Junior Golf program?!

Although we have had a strong championship record within the Division B Mountain Hi Swim League, our swim team's achievement can be attributed to the determination and improvement of each swimmer.

"Success is truly celebrating each swimmer's accomplishments, whether it's making an All-Star time, or for another, completing a race," says Coach Audrey Welsh. "I love watching swimmers who started the season saying they'd never swim butterfly, swim the 100 Fly, and swim it fast," adds Coach Chase Helseth.

"All three of my boys joined the swim team at around 5 or 6 years of age. Not one of them could actually swim the full length of the pool yet. Once they found their favorite coach, we sprung for a few lessons and by the end of the first season they were pretty proficient little swimmers. They had so much fun as Gators and built some lasting friendships that kept them wanting to join again the next year," comments Dale Rottschafer, a SGCC Gator Swim Parent.

Registration is now open for our SGCC Gator swim team. The first practice is May 22 followed by the first swim meet on June 3.

SGCC's Junior Golf program has also successfully opened the path for girls and boys between the ages of 8-18 to learn the etiquette, rules, and gain instructions for playing and enjoying golf. Some are now even competing at the high school level.

Junior Golf meets on Tuesday mornings from early June through the end of July. Younger kids (8-11) meet from 7:30-9 am and older kids (12-18) meet from 9:30-11 am.

LPGA, Ann Wolta Blackstone heads up our SGCC Junior Golf program and will be holding a parent meeting on Sunday, May 7th at 4:30 at the club house.

Our youth activities really bring people together (kids and parents) and being

able to celebrate each kid's achievement is a reflection of our club's culture. We welcome your consideration of joining us at the club and enrolling your kids in any or both of these programs.

For more information on these youth-centric programs, check out our website at www.southglenncc.com.

Southglenn Neighborhood Garage Sale Coming in June!

The 2017 Southglenn Neighborhood Garage Sale is scheduled for Friday and Saturday, June 2 and 3! Back for the fourth year, local real estate experts, The Steller Group of Keller Williams Realty, will be partnering with the SGCA to organize and market this service for the community. They are a dedicated team of specialists who have been the top-selling real estate group for the city of Centennial since 2011 and are sponsoring the event.

Participation is free for any dues paying member of SGCA; all marketing expenses are underwritten by The Steller Group. Advertising will be placed in The Denver Post, The Centennial Citizen, multiple online outlets, and professionally printed directional signs will be placed the weekend of the sale. During the sale, buyers will be able to strategically navigate the neighborhood with the use of maps that designate which homes are participating.

For those who don't sell out and prefer not to keep the "left-overs," a charity pick-up follows the event on Saturday and is also coordinated by The Steller Group on behalf of participants. Even if you are not participating in the garage sale, please feel free to take advantage of the charity pick-up by paying your dues and registering for it.

To register as a garage sale location on the map, request an information sheet, and/or participate in the charity pick-up, please email Dale Rottschafer (DaleLRottschafer@hotmail.com) or call 303-895-7139. Registration deadline is May 30.

Southglenn Dumpster Day

On Saturday, June 10 from 8 a.m. - noon, the Southglenn Civic Association has arranged for our annual dumpster day. ProDisposal is our vendor this year. They will not accept any hazardous or bio-hazardous waste products such as needles, and syringes. No used motor oil, paint or pesticides. No TVs or monitors. No heavy materials like rocks, bricks or concrete.

In addition, Chris Tredway of Southwind will be there from 8-12 to take used appliances. And Mark S. will handle electronics recycling - but again, no TVs or monitors.

Mr. Chuck Kane will help anyone that needs help getting their junk with his truck. You can set it up with him directly at: 303-726-2607.

Nextdoor Pet Directory

Have you had a chance to check out the newest feature on Nextdoor? The latest is a pet directory. You can add your pet information and picture to your profile and share it within only Southglenn or include surrounding neighborhoods. The next time Fido goes on a walk-about, Sylvester is caught up in a tree, Kaa slithers out the door, or Yurtle takes up house and moves along, this directory can help your neighbors help you to get your pet home safely as soon as possible.

Colorado No Call List

In 2001, the Colorado General Assembly passed legislation that allows consumers to protect themselves from many unwanted telemarketing calls. As of June 1, 2003, consumers may add their wireless telephone numbers to the Colorado No Call List as well. If you do not want to receive telemarketing calls or faxes, you may add your number to the form on the right of their webpage. www.coloradonocall.com

Coloradans must now register on two do not call lists. To be sure that you are included on a no call list and so telemarketers do not call, Coloradans are encouraged to register on both www.coloradodotnotcall.com and the National Do Not Call Registry at www.ftc.gov/donotcall.

ISO Storage

The Southglenn Civic Association is in search of (ISO) storage. Do you have some unused space in a garage or shed? We have signs for our various functions, some coolers, and various holiday items (plastic easter eggs, hula hoops, etc) from our annual activities that are currently stored among various board members' properties. It makes it challenging from one function to the next to figure out who has what and when it can be retrieved. We are considering renting storage space through a commercial outfit, but thought we'd reach out to the neighborhood first to see if someone has some storage space to donate rather than spending collected dues on this. Please call Linda Nixon if you can help us out. 303-795-8083.
