LINDA'S TIDBITS

Fall is coming I hope! We should be cooling down a little bit. Fall is my favorite season!

We are all still hanging in there like everyone else. I hope that things can start to get back to normal or what is more like normal!

I have noticed a lot about the homeless on next door saying they are moving our direction. People are saying that they have had more things stolen from their garage and cars. I spoke with the sheriff's dept and they said we can stop this kind of behavior by being a good neighbor and by locking things up. Not letting our area become an easy place to steal things from. We would like everyone to be a good neighbor and watch out for our neighborhood! Make sure you shut your garage and lock your car if it is parked outside. The more things that get stolen make our area a feeding ground for thieves. We want to deter them from thinking that our area is an easy target! Thanks!

Don't forget we are still trying to raise money for new Development Monument signs to be placed in the ground for Southglenn Entrances! We need you to help with the cost to help get them in the ground. Thanks! We have a new group that is working on different ideas to earn money for our signs.

Thanks again, we are counting on your support!

That is what makes our neighborhood special!

—Thanks! Linda Nixon

EMERGENCY ALERTS

Citizens and businesses can sign up for emergency alert messages using the links below, and receive alerts about emergencies on their voice and text devices.

How it Works

In Arapahoe County, this service is provided by the Arapahoe County E-911 Authority. In Aurora, this service is provided by the City of Aurora Citizen Alert System. When there is need to notify citizens about an emergency or potential safety concern, messages will be sent to all standard voice and text communication devices (land line, mobile, email, text messaging, pager, fax, etc.) that you have registered in the system.

Please note that residents and businesses with land line phones are already listed in Arapahoe County and Aurora's 9-1-1 databases and do not need to be registered.

This system will not be used for weather alerts because it cannot be guaranteed as to the timeliness or accuracy of such alerts. There are a variety of other media outlets (TV and radio stations, and weather-related Web sites and alerts) that can provide this service in a timelier manner.

Sign Up for Emergency Alerts

If you would like to register voice and text devices for emergency alerts, please use the links located at —<https://www.arapahoegov.com/1558/Emergency-Alerts>

South Suburban Parks and Recreation is using a phased approach to reopening indoor/outdoor spaces and programs that complies with the current state recommendations and adheres to strict safety protocols for both patrons and staff.

During this time, several of our facilities and amenities are open. SOUTHGLENN GATOR SWIM TEAM - STILL GOING STRONG!

Summer 2020 has been a year of uncertainty, with cancelled vacations, summer camps and typical warm weather activities. But if you happened to drive by Southglenn Country Club on a weekday morning this summer, you saw that one thing that has stayed the same - the giggles, smiles and camaraderie of the Gators summer swim team. At the start of the summer, Southglenn Country Club received word that the league had cancelled the summer swim competitions within the league. However, due to our amazing coaches and dedicated parent volunteers, the Southglenn Gators swim team was one of only a handful of summer swim clubs to offer an intra-squad summer swim league, giving nearly 100 swimmers from ages 6 to 18 a chance to keep up their conditioning and maintain the team spirit in a summer where connection is needed by so many.

“The Gator board members told our coaches at the start of the summer that we may not be able to pull off a swim program, and that we would understand if they wanted to seek employment elsewhere,” said Jenny Dobmeier, president of the Gator board. “We were absolutely blown away when all 5 of our coaches said they would wait to see if

there would be a swim season. That’s how dedicated our coaches are, and how much they love these kids.”

Over the course of the 7-week program, the coaches added temperature checks, social distancing and constant disinfecting to their usual duties, and even implemented a new “time trial” program so that, since they weren’t able to compete with other teams, kids could still maintain competition with themselves and have increased motivation to get faster and stronger throughout the season.

“It’s definitely been an unusual season,” agreed head coaches Courtney Helseth and Henry Kline. “But seeing the kids improve their strokes, cut time from their time trials, and just enjoy being part of a team environment has been amazing.”

Although swim practices ended July 31, many Southglenn Gator swimmers are looking forward to continuing socially distanced summer fun with their swim team friends during free time at the pool, which will remain open until Labor Day weekend. Members can reserve 2-hour time blocks to beat this unseasonably hot summer heat and take advantage of a sliver of normalcy in an unusual time of their lives.

A Special Message during COVID-19

We in Volunteer Connections know that many people want to help during COVID-19, but may not know how to do so safely. There are people in need, but at the same time, we're asked to social distance.

We do know that acts of kindness go a long way in uncertain times. And if you're healthy and able, it's still possible to make a difference.

We've compiled a number of resources, volunteer opportunities, and "feel good" ideas to help support those in need and the community at large. View our How to Help during the COVID-19 suggestions.
